Dear Parents

Since last year we have been using a product called ParentMail® which enables schools to send their letters and messages direct to parents by email and text message. Many of our parents have already signed up to this and we are now able to send newsletters etc direct to their email. The result of this is that parents are receiving the information from the school in a more reliable and efficient manner and that they no longer need to trawl through the contents of school bags.

In order to use ParentMail® we need to collect parent email addresses and mobile telephone numbers and would ask you to complete the form below. Please be assured, the ParentMail® service is registered with the Data Protection Registrar and guarantees that all information supplied will be kept completely private. There is also NO advertising associated with the scheme.

Please help us to improve communication by signing up below and please remember to look at our website regularly.

Yours sincerely,

Head Teacher

I am able to receive information and give permission for my email address & mobile no. to be registered with ParentMail®.
